- **Intelligent dirt detection**

Auto-sense technology

- Automatic suction power adjustment: A dirt sensor detects the dirt level in Auto mode and automatically adjusts the suction power.
- The level of dirt is detected and the suction power is automatically adjusted across three levels.

Clean Control Display

- The Clean Control display provides you with real-time feedback on the cleaning process, so you can be sure that everything is thoroughly cleaned.
- In Auto mode, the display uses a colour code to indicate the degree of dirt: turquoise for none to little, blue for medium and purple for heavy soiling.

Extensive range of accessories & Max-Flex

- Extended reach: the articulated tube allows for ergonomic access underneath. The flexible hose extends the reach for cleaning inside the car and in high places.
- Versatile specialists: includes an upholstery nozzle, crevice nozzle and soft dusting brush for specialised cleaning of crevices, upholstery and sensitive surfaces.
- Using the wall bracket, the device can be stowed away quickly and easily.
